Declaration of Conformity to Directive 2011/65/EU (RoHS2) in connection with Delegated Directive (EU) 2015/863 (RoHS3)

MTM Power® hereby confirms that appropriately labelled products comply with the substance restrictions according to Article 4 (1) and the maximum concentration values tolerated in homogeneous materials according to Annex II of Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, respectively valid exceptions according to Annex III are applied. RoHS compliant products are designated as follows:

- As symbol "RoHS compliant" on the product label
- In the article number with the ending "R"
- On the delivery note with the indication "RoHS compliant" in the delivery note item

This explanation is based on our present knowledge. No warranty or liability can be assumed for influences beyond our knowledge and control.

Best regards
