

MTM POWER®

EU Declaration of Conformity

Date of issue: 18.02.2015

For the device mentioned below

Part Number/Description	PMD5UD
-------------------------	---------------

it is herewith declared that it corresponds to the essential protection requirements defined in the following directives:

Council Directive 2006/95/EC of 12.12.2006 on harmonization of the laws of the Member States regarding electrical equipment for the use within certain voltage limits – short: **Low Voltage Directive**

2011/65/EU RoHS Directive of the European Parliament and of the Council of 8 Juni 2011 on the registration of the use of certain hazardous substances in electrical and electronic equipment

Council Directive 2004/108/EC of 15.12.2004 on harmonization of the laws of the Member States about the electromagnetic compatibility – short: **EMC Directive**

Remark note:

The DC/DC converters series PMD which are intended for the use as PCB mountable components is not covered by the EMC directive because they are no stand-alone apparatus. They are exclusively installed by qualified manufacturers in final equipment. The manufacturer of the final equipment has to ensure that this final product complies with the requirements of the EMC directive issued by legal authorities

The above mentioned types are signed with CE mark. For further information about the fulfilment of these directives see enclosure 1.

This declaration is issued on behalf of

Name:	MTM Power Messtechnik Mellenbach GmbH
Address:	Zirkel 3 98746 Mellenbach Germany

by:

Name, First Name:	Siebert, Steffen
Position:	Quality Manager

Mellenbach, 18.02.2015

Place/Date
